

HERBACEOUS PLANTS FOR RETAIL SALES

9cm x 24 per returnable tray

11cm x 15 per display tray

This is our full list of top quality herbaceous plants which are grown hardy on the east coast. All compost incorporates intercept granules as a pest preventative plus 12-14 month osmocote for a longer shelf life.

All plants now have new large full colour labels which are eye-catching and have colour headers to match the flower colour. The labels are now attached in to slot pots to keep displays neat & tidy.

We will have detailed availability lists with looking good guides from mid February

* ORDERS PLACED BY 10.00 AM TUESDAY, we endeavour to deliver by the end of that week

* Plants can be pre-priced and bar-coded - £50.00 per 1000

* We can send availability lists by post, fax, phone or email. The availability lists are marked with 'Looking Good Guides'. We can pick to your selection or why not leave the choice to us to make a good display.

* Extended Cash & Carry available, open

Mon-Thurs 8-5, Fri 8-3, Sat 8-10.30

(winter hours may vary)

* FREE DELIVERY

for orders over £400 nett value within 125 miles of Gedney.

Orders under £400 nett, delivery is £50.00

Over 125 miles of Gedney, delivery is at cost

2 litre HERBACEOUS

From Spring 2009 we will have a wide range of 2 litre herbaceous plants which will be listed on weekly looking good lists. All with colour labels in the slot pots.

The list will include all the garden favourites, along with impulse lines and specialist varieties.

Again we can combine a 2 litre order with 9cm & 11cm herbaceous and with alpine & rockery plants for a trolley delivery (minimum order value £400 nett)
